RED DEER HUNT IN NORTHEAST BULGARIA

Here are situated the best hunting areas for red deer in Bulgaria - Voden, Palamara, Momino and Cherni Lom. All of them are flat and are covered with huge forest stand. The agricultural fields with maize and other crops cover a high percentage of the land as well. The terrain is rolling. The elevation above sea level is from 125 m to 486 m. Although they have become famous for their red stag hunt. The excellent abundance of food and the permanent preservation of the game ensures the high quality of the trophies in this areas. More than the half of the red deer trophies weight over 10 kg. Each year there are also some 12 kg. deers. The hunt is really exciting. Most of the hunting is by prowling. Each year the hunters get here more than 70 red deers. The hunting of wolf, wildcat and jackal is particularly emotional. Each area has 2 or 3 houses, all of them are pretty big and luxury with exelent service and food.
