### ALTERNATIVE TOURISTIC PROGRAMMS – RAFTING IN BULGARIA

**Bulgaria** could be a great place for hunt and vacation for you and your family. For example, we organize excellent rafting trips and trekking tours.

We organize the rafting together with the club "BOBRITE" (THE BEAVERS). The time is very short, from 05. April until 05. June - 2 months only. The place is STRUMA reaver in the Southwest of Bulgaria. This is the time as the snow melts down from the mountains and the reaver is full of water. You don't have to worry about anything. Our people from "The beavers" will provide everything for the trip - the special equipment (neopren, shoes, jacket, vest) and the boat. You will have 2 or 3 guides together with you in the boat.
